COPY DEADLINE Not later than 12 noon on Monday's. Deposit in the Gazette Box at 45 Sunset Blvd.

Beginning summer 1963.....FROST !!!

Mrs. E. G. Hole (above) shows some of her corn, 3/4 of which was frozen early Sunday morning. Almost all of the squash was killed, and the cucumbers and potatoes were also touched.

A neighbour, W. Flynn, had a field of barley heavily damaged. The fields of Adam Pietrzak, on #2 Highway, were even worse because their land

is low lying. All their beans, cucumber tomatoes, corn, cabbage and potatoes were frozen completely. Some of their grain was also touched.

WHY NOT?

What must a person do to help develop St. Albert?

Since February 26, my office has held an option agreement in favour of Pacific Petroleum Ltd. on two corner lots on McKenny Avenue and St. John Baptist Street. This is part of a block of lots immediately north of the shoppers' park in St. Albert.

This company wants to build a modern and

very attractive service station on this site. They estimate the total cost at approximately \$75,000.

They have selected a St. Albert citizen to superintend this station and he will employ another five men living in St. Albert.

The company has submitted the plans to the proper authorities for their approval and consent. Our pleas and requests have been ignored and I am informed that this desirable development is not al-

lowed.

As an experienced Realty, I am certain that this project would greatly benefit our town of St. Albert and stimulate the development of this area.

These commercial enterprises and light industrial developments are a distinct asset to our economy. It would give us a far better source of tax revenue than residential properties, and, Heaven knows! our local residents can absorb any amount of help and relief in aiding

GREAT LOSS FOR ST. ALBERT

Mr. Gaston Bouchard, a community minded resident, (although still a comparative newcomer after 4 years), is leaving our town this coming Friday to take up residence in Windsor, Ontario. Although not too well known, Mr. Bouchard has planned and worked for community affairs and done a lot for St. Albert behind the scenes. Mrs. Bouchard also served in many community organizations and was always a willing worker. Both of them had to leave their many friends in St. Albert, but with this promotion Mr. Bouchard will become the manager of one of Kresge's most modern stores in Canada. Their home was always open to everyone and we wonder if the Bouchard family ever had a supper without guests! We wish Gaston, his wife and their family all the best, and we thank them for all they have done for our community.

Gaston Bouchard

THANK YOU

I would like to offer my sincere thanks to the electors of the St. Albert constituency who supported me and the Liberal Party in the recent Provincial Election. I would also like to offer a special thanks to all the workers who generously gave their time and effort towards my campaign.

Continuing the round of festivities, Miss Pauline Vaugeois, Miss Margaret Maloney, Miss Leon Tellier and Mrs. Alfred Brunner were hostesses at a shower held in the St. Albert Roman Catholic Parish Hall. Four bonnie lassies dressed in kilts, Sharlett, Leta and Catherine Wheating and Kathleen Fraser, escorted the bride into the hall. They then entertained the guests by dancing the

Members of the Guiders and the Altar Society assisted the hostesses in serving a sumptuous lunch. Miss Blair's wedding to Dr. J. M. It is incomprehensible to my associates, my friends, and myself, why such an excellent business and building of this kind should be refused.

What is the answer! Donald S. Perry.
